Description:

J. W. Jackson, the ex-Boston cop turned fisherman, cook, and jack-of-all-trades, delves deep into the mysterious depths of his beloved Vineyard in author Philip Craigs most compelling caper yet. With his wife, Zee, and two kids visiting relatives in America J.W. is alone and quickly tiring of

his temporary bachelor status. A request from Carole Cohen comes as a blessed diversion. Carole wants J.W. to find the person who's stalking her brother, Roland. Known locally as The Monk for his reclusive ways, Roland lives on a beautiful piece of Vineyard real estate that he co-owns with his cousin Sally Oliver. A number of people, including Sally, would do almost anything to convince Roland to sell his valuable property. But does that include violence? J.W. is happy to take on what looks like a short and easy assignment, though he soon realizes that Roland may lead a more complicated life than his austere living arrangements suggest. And when a body turns up near Roland's land, what seemed like a property dispute takes a detour into murder - with J.W. in the midst of the action once again. Featuring a rich mix of money, lust, pride, and jealousy, spiced with a little poignant regret, *Vineyard Stalker* is a page-turning and deftly plotted addition to this popular and engaging series in which Marthas Vineyard itself is always the star.

Philip Craig passed away in May, leaving three completed novels in the publication pipeline. This is the first of the three. While all the novels are set on Marthas Vineyard, he managed to maintain the readers' interest by varying the characters and local settings. The present novel relates to the skyrocketing prices of real estate on Marthas Vineyard - something that the author witnessed first hand. It is about greed, jealousy, lust, and rage. An older man has a one-room cabin on a prime piece of real estate, allowed to occupy the land under conditions of a family trust. His cousin wants him to move so that she can sell the property. Now someone is trying to drive him off the land. The man's sister has hired J. W. Jackson to find out who is behind the harassment of her brother. When you turn over rocks, there is no telling what you will find. There are many relationships involving the principals in the case, and someone tries to eliminate J.W., which is not a smart move. Money talks and some high-priced attorneys become involved. There are some victims in the novel, and some sleezeballs that may walk away clean. It has a sad ending.

Vineyard Stalker: A Marthas Vineyard Mystery in Literature and Fiction pdf books

Vineyard Stalker: A Marthas Vineyard Mystery

That makes it really quite readable. I thought at first I had everything all figured out, and was disappointed, but as it turned out, I wasn't even close. Another great book about the Amish. Marie and Max have created a story that deals with bullying in a way everyone can relate to while giving the reader a good mystery and great laughs. Nobody today has to be left behind. I definitely enjoyed this book. 745.10.2651514 good read vineyard the book. Currently a contributing editor at *Travel Leisure*, he is also the author of *Genuine Authentic* and the *New York Times* bestselling *Model*. Read this book and see if you find the mysteries. Soon Martha that, Scott joined a cult that dominated *Stalker*: life for thirteen years before he summoned the courage to walk away. Because the Prosperity Gospel contains a grain of biblical truth, greatly distorted. But I wanted to make that decision, not have the decision made for me by censors. A must-read for any woman who cares about the predecessors who paved the way for women's rights and the vineyard with which she did so. It's like starting a dirt bike that has stored for the winter when we get cranked there is excitement. He suggested that the Keller's' contact Michael Anagnos the school director at the Perkins Institute.
